Field	Description
Use Case Name	Route budget proposals via multi-stage approval
Primary Actors	Faculty Coordinator, Finance Office, Dean
Preconditions	The Club Lead has successfully submitted an event budget proposal. The system has set the initial status to "Pending Faculty Approval."
Postconditions	The proposal is either "Fully Approved" and ready for event execution, or "Rejected/Needs Revision," with notifications sent to the Club Lead.
Main Success Scenario	**1.** The system notifies the Faculty Coordinator of a new pending proposal. **2.** The Faculty Coordinator logs in, reviews the proposal, and approves it. **3.** The system updates the status to "Pending Finance Approval" and notifies the Finance Office. **4.** The Finance Office reviews the budget and approves it. **5.** The system updates the status to "Pending Dean Approval" and notifies the Dean. **6.** The Dean reviews the final proposal and approves it. **7.** The system updates the status to "Fully Approved" and notifies the Club Lead.
Alternate Flow	**4a. Finance Office Rejects the Proposal:** **1.** The Finance Office determines the requested budget exceeds limits. **2.** The Finance Office selects "Reject/Request Revision" and inputs a required comment. **3.** The system updates the status to "Needs Revision" and halts the approval workflow. **4.** The system immediately notifies the Club Lead and Faculty Coordinator of the rejection and the stated reason.
